

## Fundations Level K Launch Workshop

Fundations Level K Launch Workshop provides the practice and guidance needed to effectively begin teaching the Fundations Level K curriculum. The workshop covers an overview of the program, a dive into the materials and resources needed to teach Fundations Level K, a look at how to use the Teacher's Manual, practice planning a lesson, and wraps up with a chance to debrief and look at "next steps" that will help participants kickoff their Fundations instruction.

**Prerequisite** None

**Duration** One full day

### Course Objectives

Upon completion of the course, participants are able to:

- Identify the skills taught in Fundations: print awareness; phonological awareness; phonemic awareness and the alphabetic principle; sound mastery; phonics; vocabulary; high frequency/trick words; fluency; comprehension strategies; handwriting, spelling, and punctuation.
- Understand the principles of instruction: explicit, sequential, and cumulative instruction that engages multiple learning modalities with multisensory activities, repetition, and immediate, specific feedback.
- Identify and understand the use for all materials in the Fundations Teacher's Kit, and have a sense of how to find and use the many extended resources available on the [Fundations® Learning Community](#) (membership included with participation in this workshop).
- Use the Teacher's Manual to prepare a daily learning plan and practice activity procedures.
- Visualize the flow and pace of a full Fundations lesson completed with fidelity.
